

A Smile That Lasts Forever!

People request teeth whitening more than any other medical or dental cosmetic procedure. There are a number of ways to accomplish it, but one thing they all have in common is the teeth gradually fade back to a dark color.

Blanco Circle Dental Care has become known to the residents of the Salinas Valley and Monterey Peninsula for introducing new technologies and procedures. We promise to continue to provide you with the most recent advancements in dentistry. For the first time in Monterey County, we are introducing a way to keep your dazzling smile as white as the day the treatment was completed. Our trademarked program is called "Bright White Forever."

With a small commitment, our patients can decide to never have a dingy smile again. They can do it inexpensively and best of all, FOREVER! The commitment is to make sure there is no reason to no whiten the teeth, or prevent us from keeping them white. We need to examine the teeth and health history to make sure whitening is possible. The patient must stay committed to their dental hygiene visits, and give at least three business days notice if they cannot keep their dental appointment.

For a onetime fee of \$89 you can go from dingy to white, forever. That is the less expensive than whitening alone!

I would like to become a member of Bright White Forever™. I understand to maintain my membership I agree to the following.

1. Have a dental examination to determine there are no current medical or dental contraindications to whitening my teeth.
2. I will follow recommended whitening instructions.
3. Stay committed to my dental hygiene visits as recommended by my professional provider.
4. Provide at least three business days notice if I must reschedule any dental appointment.
5. Pay a onetime fee of \$89 for a bright white smile forever.

I understand the terms and conditions of becoming a member of Bright White Forever™. I understand that if I do not meet the terms of membership, the membership will be discontinued and may not be renewed. This agreement remains in effect for the life of the practice.
